ABSTRACT

Praise be to Allah, and peace and his family and companions and allies,ρblessings on the Prophet Muhammad and followers to the Day of Judgement and after:

The God of the quality and generosity that have completed this research, having managed, directed by the jurisprudence of this world, Mohammed Sharawi, for the attention of science students and researchers, has been able to praise God, directed by the following results by searching:

First: It is known for Sheikh Hubert he explained, and often covered by the researchers, interpreter, and as a methodology of interpretation, and the statement of the approach being followed in the interpretation, and indicate the aspects of faith in the interpretation, but I thank God I managed to get him out jurist dealing with jurisprudence, that concernMuslims.

Second: show us the aspects which have been approved by the Hubert majority of scholars, what is behind it, through the jurisprudential views.

Third: show us the methodology Hubert in the government on some issues in combining tradition and modernity, in a manner close to themind.

Ask God to make this work purely for the sake Karim, a student reward him alone, the bulk of the gaze, and to be in this research may have found what is good for us and for the Muslims, and what was right, it is God, and it was a mistake by hosts and Satan, and a prayer Praise be to Allah, the Lord of the Worlds.
